APPLICATION FOR SPECIALTY APPRENTICE REGISTRATION

PLEASE READ THE FOLLOWING REQUIREMENTS:

A person wishing to become a specialty apprentice shall register with the State Plumbing Bureau prior to going to work, and complete the requirements for that specialty classification in order to test for specialty journeyman. A specialty apprentice shall be any person who is engaged in learning and assisting in the specialty classification for which he is registered. Specialty apprentices shall not perform specialty work except under the supervision of a specialty journeyman.

APPLIANCE PLUMBING SPECIALTY LICENSE REQUIREMENTS

IDAPA 07.02.05.18 States in part...Appliance plumbing specialty journeymen must have eighteen (18) months of specialty apprentice on-the-job experience, satisfactory completion of seventy-two (72) hours of approved related training classes (see back page of application for schooling info) in order to be approved to take the specialty appliance journeyman exam. Appliance plumbing specialty apprentices must be employed by a licensed contractor, under the supervision of a journeyman, be enrolled in or have completed approved related training classes and maintain state registration.

WATER PUMP PLUMBING SPECIALTY LICENSE REQUIREMENTS

IDAPA 07.02.05.19 States in part...Water pump specialty journeymen must have eighteen (18) months apprentice on-the-job experience, satisfactory completion of twelve (12) hours of approved related training classes (see back page of application for schooling info) in order to be approved to take the specialty water pump journeyman exam. Water pump plumbing specialty apprentices must be employed by a licensed contractor, under the supervision of a journeyman, be enrolled in or have completed approved related training classes and maintain state registration.

Registration for a specialty apprentice shall expire twelve (12) months from the date of issue unless renewed. A specialty apprentice registration may be renewed at any time during the month prior to its expiration. Failure of any apprentice to timely renew a registration shall cause a lapse of the registration. **Time shall not be credited while the apprentice is inactive or not registered.**

EXPERIENCE GAINED BY AN INDIVIDUAL WHILE ENGAGED IN THE PRACTICE OF A SPECIALTY CATEGORY SHALL NOT BE CONSIDERED TOWARDS THE SATISFACTION OF THE MINIMUM EXPERIENCE REQUIREMENTS FOR LICENSING AS A JOURNEYMAN PLUMBER.

APPLICATIONS WILL NOT BE PROCESSED UNLESS COMPLETELY FILLED OUT, SIGNED, NOTARIZED, AND ACCOMPANIED BY THE \$5.00 REGISTRATION FEE.

MAKE THE CHECK, MONEY ORDER, OR CASHIER'S CHECK PAYABLE TO THE PLUMBING BUREAU AND MAIL IT WITH THE COMPLETED APPLICATION TO THE ABOVE ADDRESS.

ALL DISHONORED CHECKS WILL BE REQUIRED TO PAY A COLLECTION FEE NOT TO EXCEED \$20.00, AS PER IDAHO CODE 28-22-105.

PLUMBING SPECIALTY APPRENTICE PROGRAM

EXPERIENCE GAINED BY AN INDIVIDUAL WHILE ENGAGED IN THE PRACTICE OF A SPECIALTY CATEGORY SHALL NOT BE CONSIDERED TOWARDS THE SATISFACTION OF THE MINIMUM EXPERIENCE REQUIREMENTS FOR LICENSING AS A JOURNEYMAN PLUMBER.

APPLIANCE PLUMBING SPECIALTY LICENSE REQUIREMENTS

Scope of Work Permitted. Permitted to disconnect, cap, remove, and reinstall within sixty (60) inches of original location: water heating appliance, water treating or filtering devices; air or space temperature modifying equipment which involves potable water; humidifier; temperature and pressure relief valves; condensate drains and indirect drains in one (1) and two (2) family residences only. Does not include installation, testing, or certifying of backflow prevention devices. Does NOT include any modification to the drain, waste or vent systems. Must comply with all Idaho State Plumbing laws and rules and the requirements of the Uniform Plumbing Code.

IDAPA 07.02.05.18 States in part...Appliance plumbing specialty journeymen must have eighteen (18) months of specialty apprentice on-the-job experience, satisfactory completion of seventy-two (72) hours of approved related training classes (see back page of application for schooling info) in order to be approved to take the specialty appliance journeyman exam. Appliance plumbing specialty apprentices must be employed by a licensed contractor, under the supervision of a journeyman, be enrolled in or have completed approved related training classes and maintain state registration.

WATER PUMP PLUMBING SPECIALTY LICENSE REQUIREMENTS

Scope of Work Permitted. Permitted to install and connect water service piping from pump to storage expansion pressure tank in one (1) and two (2) family residences only. Does not include installation, testing or certifying of backflow prevention devices. Must comply with all Idaho State Plumbing laws and rules and the requirements of the Uniform Plumbing Code.

IDAPA 07.02.05.19 States in part...Water pump specialty journeymen must have eighteen (18) months apprentice on-the-job experience, satisfactory completion of twelve (12) hours of approved related training classes (see back page of application for schooling info) in order to be approved to take the specialty water pump journeyman exam. Water pump plumbing specialty apprentices must be employed by a licensed contractor, under the supervision of a journeyman, be enrolled in or have completed approved related training classes and maintain state registration.

To register for the water pump plumbing specialty apprenticeship training please contact:
IDAHO GROUND WATER ASSOCIATION
(208) 888-0988

Qualifying documents for months of work experience and schooling completed must be submitted annually for re-registration with the Plumbing Bureau. A \$5.00 registration fee is to be included with the initial specialty apprentice registration and each annual re-registration until the conditions for specialty journeyman testing are met. Time will not count if registration is not maintained. Once the requirements are met a specialty journeyman application will be required for approval to take the exam, upon passing the exam and paying a license fee a specialty journeyman exam will be issued.
